

Liberty Performance Summary

As at 30 April 2021

▼ Important notes

Please note the following important information regarding this document:

- The returns shown on this document are net of implicit fees and shareholder participation (where applicable).
- All returns are shown before the deduction of any Liberty product charges.
- Returns for a period over 1 year are annualised, hence expressed as a yearly average return over the period.
- Applicable distributions are reinvested on a sell to sell basis.
- Individual investor performance may differ as a result of initial fees, the actual date of investment and class.
- Past performance is not indicative of future performance.

Please email performance related queries to: factsheets@liberty.co.za
